EXAMPLE #2: Outcome-based Evaluation

INTEGRATED PEST MANAGEMENT (IPM): Best Management Practices Post-class Survey

Please rate yourself on how well you can do the following things, where 1 indicates *"I cannot do this at all,"* and 5 indicates *"I am confident in my ability to do this."*

As a result of this course, **I CAN**:

1. Name the 3 main types of pests we deal with in Seattle parks.

What are these pests? 1. 2. 3. List the 5 components in an Integrated Pest Management (IPM) program. 1 2 3 4. 5. Describe an IPM program for the pest we discussed in class. 1 2 3 4. 5. Include all phases of the program:	1	2	3	4	5

EXAMPLE #3: Action Plan Using My New Facilitation Skills

In the planning and facilitation of my next meeting, I will do these three things *differently* than I have in the past:

1. 2. 3.
